The Student Membership is available exclusively to individuals enrolled through an IACT Approved Trainer and is valid for up to 6 months to support students during their hypnosis certification training. Upon completion of training—and within the 6-month Student Membership period—students may apply to upgrade to a 1-year Certified-level Membership by submitting:

- A completed IACT Examiner Statement validating their training
- A copy of a government-issued legal photo ID
- The \$107 USD membership fee

To receive the discounted rate of \$107, the upgrade must be requested within the active Student Membership period. If the upgrade is requested after the 6-month Student Membership has expired, the upgrade fee will be \$132 USD.
